It is the right to be faced with the choice God offers us in Christ and to share in his fellowship everywhere. It is not enough that your community has (as it does, no doubt) a variety of churches. Paul said that farmer of those days is forbidden a man who will not work shall not to harvest either his wheat-field a man who will not work shall not eat—that was his rule. We all know the commandment, "Six days shalt thou labor," and we all have observed how important it is for the development of personality that a man or woman shall have work that suits his capacity and gives him a chance to be a producing member of society.
